I can't deny the child inside  
I got to feel the strong beat of my life still pulsing  
Some things in life you can not hide  
I don't need prejudice or other people judging me

I can't renounce to what I am  
For I am just a man

Who'd do the things that I do  
Live the life I want to  
And why does that provoke you  
And why so serious

Am I so different to yourself  
I've had my misdemeanors, did my share of failures  
You find me irresponsible  
Now what gives you the right to question my behavior

You're much too blind to see  
It's my reality

I do the things that I do  
Live the life I want to  
And why does that provoke you  
And why so serious  
It takes Hell to hold me  
And no one can control me  
And you don't see what I see  
So why so seri-  
Why so serious  
Why so serious

I do the things that I do  
Live the life I want to  
And why does that provoke you  
And why so serious  
It takes Hell to hold me  
And no one can control me  
And you don't see what I see  
So why so seri-  
Why so seri-

Why so serious
