Little Phoebe
Who I've never seen
Had you asked, I'd be right out
And maybe
In a good time
Phoebe, then I'll tuck you in

How is it
Listen angel
You do
Listen angel
Run along and shine the world
This night, angel
Don't tell
Please smile on, angel
Run along and shine the whole night away

And, say
And maybe
In a good time
Phoebe then I'll tuck you in
Little Phoebe
Who I've never seen
Had you asked, I'd be right out

For love feels
Listen angel
Feels
Listen angel
Run along and shine the world
This night, now, angel
It's all the same
Listen, now, angel
Run along and shine the whole world, angel
How is it
Listen angel
You do
Listen a
Run along and shine the world
This night, angel
Don't tell

Please smile on, angel
Run and shine the whole world now, my angel
