You, yes you like what you feel
Cause it seems so unreal
And still, you keep walking away
Keep walking away
But I know, I can't let you go
And you can't let me go, go
And I want you so bad
Oh, no, no

(2 x)

Tell me what you see when you look in my eyes
And I'll tell you what I see when I look into your eyes
Just do it, don't make me feel like I'm walking on fire.

You, yes you like what you feel
Cause it seems so unreal
And still, you keep walking away
Keep walking away
But I know, I can't let you go
And you can't let me go, go
And I want you so bad
Oh, no, no.

(2 x)

You are all that I need and I'm all that you need
You're the air that I breath, you're the sun on my street
When I'm losing the beat you bring me back on my feet
That's all I know and you should know.
