If he loves you,
And you believe.
Chicka, chicka, drip drop on your knees.
If he loves you,
When you're dead and gone,
Kissy, kissy killer kitty play along.

But as for all inside your wounded soul,
He's never ever gonna let you go.
(He's never ever gonna) let you go.
(He's never ever gonna) let you go.

[Chorus:]

If he loves you, he loves you not.
Be the one to leave him baby, don't get caught.
If he loves you, set your heart on fire.
Hate to be the one to tell you he's a liar.
If he loves you, he loves you not.

So crawl in closer, be a doll
He gives you just a taste but you want it all.
But if you stumble before you fall,
(Take a little taste before) you lose it all.

[Chorus:]

If he loves you, he loves you not.
Be the one to leave him baby, don't get caught.
If he loves you, set your heart on fire.
Hate to be the one to tell you he's a liar.
If he loves you,
Oh yeah, if he loves you, ooh.

Bet you wishin' for the day,
Wishin' and wishin' all away,
Bet you wishin' for the day.

[Chorus:]

That he loves you, but he loves you not.
Be the one to leave him baby, don't get caught.
Cause if he loves you, set your heart on fire.
Hate to be the one to tell you he's a liar.
If he loves you, then he loves you not.

Be the one to leave him baby, don't get caught.
'Cause if he loves you,
Ooh yeah if he loves you, ooh,
He loves you not.
