Take me, I'm alive  
Never was a girl with a wicked mind  
But everything looks better  
When the sun goes down

I had everything  
Opportunities for eternity  
And I could belong to the night

Your eyes, your eyes  
I can see in your eyes, your eyes

You make me wanna die  
I'll never be good enough  
You make me wanna die  
And everything you love  
Will burn up in the light

And every time  
I look inside your eyes  
You make me wanna die

Taste me, drink my soul  
Show me all the things  
That I shouldn't know  
And there's a blue moon on the rise

I had everything  
Opportunities for eternity  
And I could belong to the night  
Your eyes, your eyes  
I can see in your eyes, your eyes  
Everything in your eyes, your eyes

You make me wanna die  
I'll never be good enough  
You make me wanna die  
And everything you love  
Will burn up in the light

And every time  
I look inside your eyes

(Burning in the light)  
Make me wanna die

I'll die for you, my love, my love  
I'll lie for you, my love, my love  
(Make me wanna die)

I'll steal for you, my love, my love  
(You make me wanna die)  
I'll die for you, my love, my love  
We'll burn up in the light

Every time I look inside your eyes  
I'm burning in the light  
I look inside your eyes  
I'm burning in the light  
I look inside your eyes  
You make me wanna die
