Somebody mixed my medicine
Somebody mixed my medicine

You hurt where you sleep
And you sleep where you lie
Now you're in deep
And now you're gonna cry
Got a woman to your left
And a boy to the right
Start to sweat so hold me tight

Somebody mixed my medicine
(I don't know what I'm on)
Somebody mixed my medicine
(Baby, it's all gone)
Somebody mixed my medicine
Somebody's in my head again
Somebody mixed my medicine again, again

I'll drink what you leak
And I'll smoke what you sigh
See ya 'cross the room with a look in your eye
Got a man to the left and a boy to the right
Start to sweat so hold me tight

Somebody mixed my medicine
(I don't know what I'm on)
Somebody mixed my medicine
(Baby, it's all gone)
Somebody mixed my medicine
Somebody's in my head again
Somebody mixed my medicine again, again

There's a tiger in the room
And a baby in the closet
Pour another drink, mom
I don't even want it
Then I turn around and think I see someone that looks
like you

You hurt where you sleep
Sleep where you lie

Now you're in deep
Now you're gonna cry
Got a woman to your left
And a boy to the right
Start to sweat so hold me tight

Somebody mixed my medicine
(I don't know what I'm on)
Somebody mixed my medicine
(Baby, it's all gone)
Somebody mixed my medicine
Somebody's in my head again
Somebody mixed my medicine again, again, again
Again, again, again
Again, again

Somebody mixed my medicine
Somebody mixed my medicine
Somebody mixed my medicine
Somebody's in my head again
Somebody mixed my medicine
Again, again, again
