Commander Cody - Sunset On The Sage

When the sun sets on the sage I'll say how do you do.
That's when cowboys go to sleep oh dee oh ee ley ee
who.

And my pony will be waiting in the dust for me.
Say adiÃ³s when the sun sets on the sage.

Fare thee well, Oh fare thee well I'll say goodbye to you.
Supper's waiting on the table oh dee oh ee ley ee who.
And the cattle, they are roaming, going home to rest.
Say adiÃ³s when the sun sets on the sage.

The sky is all aglow.
The shadows are falling.
Now it's high time to go.
Hear those gentle voices calling.

No more weeping, no more tears, I want a smile from
you.
We'll be parted for a while oh dee oh ee ley ee who.
But our hearts will still remember that our love was
true.
Say adiÃ³s when the sun sets on the sage.
