Just to be close to you, girl
Just for a moment (Well)
Just for an hour
Just to be close to you, girl (Ah, baby)

INTERLUDE:

Awe, You know i've been through so many changes in
my life girl.
There's been times I been up real high where I thought I
didn't need anyone.
Awe, There's been times when I was real low,
There was no one in my life that needed me.
I found that material thangs, I thought had so much
value.
Awe girl, ready had no value at all.
Then I was a lonely man, a man with no direction with
no purpose.
With no one to love and no one to love me for, for me.
Awe girl, then ya, ya came into my life.
You made my jagged edges smooth you made my
(Wah)
You made my direction so clear and new.
Awe woman you became my purpose, my reason for
livin girl you see,
You're my heart, you're my soul, you're my strong
inspiration baby.
That's why I'm standing here, singin and opening my
arms to you.
I wanna say child why don't ya

Take my hand
Ah, we'll live in love forever, yeah
Take my hand
Ooh, we'll be alone, you and me
Take my hand
Girl, we'll live our lives together, yeah
Together (Ooh, together, yeah), ah, ah, together
(Together)

Just to be close to you, girl

Just for the moment, baby (Well)
Just for an hour
Just to be close to you, girl (Ah, baby)
Hey, hey, ooh, ooh, hoo, hoo

I've been out there searchin' so very long, baby
Searching to find somebody just like you
And for some folks it takes a lifetime, sugar
To find in this a world dream come true, why don't you

Take my hand
Ho, we'll live in love forever, yeah
Take my hand
Girl, we'll be alone, you and me
Take my hand
We'll spend our lives together
Together (Together), ah, ah, together (Together)

Just to be close to you, girl
For the moment, baby (For the moment, baby)
For the moment, baby
For the sugar, sugar, yeah, yeah, yeah, yeah, yeah,
yeah, yeah, yeah
Woo, ooh, ooh, yeah, yeah, yeah, yeah, yeah, yeah,
yeah, yeah, yeah, yeah

Just to be close to you, girl
Just for the moment, baby (Well)
Just for an hour
Just to be close to you, girl
