Marvin, he was a friend of mine
And he could sing a song, his heart in every line
Marvin, sang of the joy and pain
He opened up our minds, and I still can hear him say

Aw talk to me so you can see what's going on
Say you will sing your songs forevermore (evermore)

CHORUS:

Gonna be some sweet sounds coming down on the
nightshift
I bet you're singing proud, oh I bet you'll pull a crowd
Gonna be a long night, it's gonna be all right on the
nightshift
Oh you found another home, I know you're not alone on
the nightshift

Jackie (Jackie), hey whatcha doing now

It seems like yesterday when we were working out
Jackie (Jackie, oh) you set the world on fire
You came and gifted us, your love it lifted us higher
and higher

Keep it up and we'll be there at your side
Oh say you will sing your songs forevermore
(evermore)

CHORUS

Gonna miss your sweet voice that soulful voice on the
nightshift
We all remember you, oh the songs are coming
through
At the end of a long day it's gonna be okay on the
nightshift
You found another home, I know you're not alone on
the nightshift
