Too hot ta trot (Hey, say what)  
Too hot ta trot  
Too hot ta trot (Woo)

Well, you're too hot ta trot, now baby  
Well, you're too hot ta stop, woo, baby

Well, you're too hot ta stop, woo, baby

The things that you do  
The things that you say  
That you love me, baby  
In the strangest way

What you're doin' to me, girl  
Is knockin' me down  
I can you right now  
That you're the best thing around

Sweet pretty woman, I just want you to know  
That I love you (Oh, I love to love you, baby)  
I have this feeling that what you're doin' to me  
Girl, I want you (Girl, I love you)

Ooh, I love what you're doin' to me, sweet thing  
Ooh, I love you, little sweet thing
