Set on this girl and I just can't show it.  
I'm taking my time 'cause I don't wanna blow it,  
But I can't get her out of my mind.  
She looks one way and I look another.  
All my friends say "Please, don't bother."  
But I can't see the truth when I'm blind.

I know it's real

The older that I get,  
The less that I regret,  
And baby, it's 'cause of you.  
Since the day we met,  
You know I won't forget,  
That baby, my aim is true.

Oh Amy, A-A-Amy  
You've changed my life.  
Oh Amy, A-A-Amy  
You make everything  
All right  
A-A-Amy

She smiles like a new sunrise.  
Her funny laugh was so surprising,  
But I can't get her off of my mind.  
She lights up a room like a full moon shining.  
I try to look cool,  
But she's not buying  
'Cause girls like these are so hard to find.  
I know it's real

The older that I get,  
The less that I regret,  
And baby, it's 'cause of you.  
Since the day we met,  
You know I won't forget,  
That baby, my aim is true.

Oh Amy, A-A-Amy  
You've changed my life.  
Oh Amy, A-A-Amy

You make everything  
All right

Now I've made up my mind,  
And I'll move mountains to be with you.  
I'm done taking my time,  
And in the end,  
I always knew  
(Always knew)  
Always knew

The older that I get,  
The less that I regret,  
And baby, it's 'cause of you.  
Since the day we met,  
You know I won't forget,  
That baby, my aim is true.

Oh Amy, A-A-Amy  
You make everything all right.  
Oh Amy, A-A-Amy  
You've changed my life.  
Amy, A-A-Amy  
You make everything  
All right
