[Kid voices]

Sing about love,  
All about love  
Sing about love,  
All about love

[Allstar Weekend]

It might take years for you to miss me  
Truth is, I'm alone in this city  
I'm broke (hey), I'm gonna wait  
I just deal with things in my own way  
Please know you're my only ambition  
I agree that we needed intermission  
But one day we gonna say  
"we need each other okay?"

So can we stop pretending  
That the world is neverending?  
Will you try to find a way to believe?

Cause I don't think you're gonna change  
(You better start believing)  
So, you'll be the one to bend  
I'll be the one who breaks  
I don't think you're gonna change  
(You better start believing)  
So, you'll be the one to bend  
I'll be the one who breaks

[Kid voices]

Sing about love,  
All about love

[Allstar Weekend]

Right now seems time is the reason  
Another day, another week, another season  
New year (hey), New me (hey)  
It's not much but I know that we both changed

Wanna be real fake, try to pretend  
Maybe you, maybe me, baby we can  
Try some day, we could say  
"we've got each other okay?"

So can we stop pretending  
That the world is neverending?  
Will you try to find a way to believe?  
Cause I don't think you're gonna change  
(You better start believing)  
So, you'll be the one to bend  
I'll be the one who breaks  
I don't think you're gonna change  
(You better start believing)  
So, you'll be the one to bend  
I'll be the one who breaks

Left, but nowhere to go  
Always allowed on if you wanna come home  
(Come home, come home)

But I don't think you're gonna change  
(You better start believing)  
So, you'll be the one to bend  
I'll be the one who breaks

You and me in space  
Well, you got it now  
Are you doing okay?  
(Are you doing okay?)

I love you and I hate you, the same  
And maybe that's the way it'll stay

So can we stop pretending  
That the world is neverending?  
Will you try to find a way to believe?

Cause I don't think you're gonna change  
(You better start believing)  
So, you'll be the one to bend  
I'll be the one who breaks  
I don't think you're gonna change  
(You better start believing)  
So, you'll be the one to bend  
I'll be the one who breaks

Left, but nowhere to go  
Always allowed on if you wanna come home  
(Come home, come home)

But I don't think you're gonna change  
(You better start believing)  
So, you'll be the one to bend  
I'll be the one who breaks

[Kid voices]

Sing about love,  
All about love  
Sing about love,  
All about love,  
All about love
