I woke up this mornin'
And felt like I'm meltin'
The sun, the heat
My clothes are stuck to me
And now I am thirsty
I need an Oasis
The taste, to quench
A Daiquiri

I'm inebriated, tunnel-faded
Little bit drunk
Sippin' down a tall one in the 5 o'clock sun
Look at me I'm jammin'
Got my toes in the sand
The night is young, young, young
Young, young, young, young

I'm gettin' buzzed, gettin' buzzed
Just because, just because
I'm gettin' buzzed, gettin' buzzed
Just because, just because

She sips my Corona
She's from Arizona
Her hair, her lips
Her body's stuck to me
And over the speakers
The Bee Gees will teach us
To stay alive and dance all night

I'm intoxicated, tunnel-faded
Little bit drunk
Sip another tall one in the 9 o'clock sun
Look at me I'm Van Halen
Toes in the sand
The night is young, young, young
Young, young, young, young

I'm gettin' buzzed, gettin' buzzed
Just because, just because
I'm gettin' buzzed, gettin' buzzed
Just because, just because

Our heads might hurt tomorrow
But who cares 'cause that's tomorrow
Gettin' buzzed, gettin' buzzed
Just because, just because

We'll fall down
And get up
No regrets
Not givin' a fuck
We'll fall down
And get up
No regrets
Not givin' a fuck

I'm gettin' buzzed, gettin' buzzed
Just because, just because
I'm gettin' buzzed, gettin' buzzed
Just because, just because

I'm gettin' buzzed, gettin' buzzed
Just because, just because
I'm gettin' buzzed, gettin' buzzed
Just because, just because

Our heads might hurt tomorrow
But who cares 'cause that's tomorrow
Gettin' buzzed, gettin' buzzed
Just because, just because
