Saturday, it's gettin' late.  
You gotta get home, get on your way.

That kinda sucks, wish you could stay.  
But, yeah, I get it, you're just not ready.

You say, "baby steps" and I keep waiting, yup,  
I'm not complaining.

I know you'll be worth it, I'm tossing and turning.

I lay down,  
you're the first thing that pops in my mind,  
I'm stuck on you.

You're all around,  
I can still see you with the lights out, lights out.

'Cause I can't sleep tonight.  
When I can't sleep, it's like I'm dreaming.  
'Cause I can't sleep tonight.  
No, I can't sleep and you're the reason.

So, when I stay awake, know it's for you.  
I've been running all day, it's no use.

'Cause I can't sleep tonight.  
So, tell me can you sleep?  
Tell me can you sleep, tonight?

Back in class, we'd yap it up.  
I saw you everyday, wasn't enough,  
and after lunch, we'd take the top down.  
I go to touch, you put your guard down.

Each time I take a step.  
It just gets better, yet, you drive me crazy.

I know you'll be worth it, I'm tossing and turning.

I lay down,  
you're the first thing that pops in my mind,

I'm stuck on you.

You're all around,

I can still see you with the lights out, lights out.

'Cause I can't sleep tonight.  
When I can't sleep, it's like I'm dreaming.  
'Cause I can't sleep tonight.  
No, I can't sleep and you're the reason.

So, when I stay awake, know it's for you.  
I've been running all day, it's no use.

'Cause I can't sleep tonight.  
So, tell me can you sleep?  
Tell me can you sleep, tonight?

Cause if you can I wanna know exactly how you do.  
I'm wide awake can't take all this thinkin' of you.

Are you there?  
Can you feel me?  
When I wake up will I still be dreaming?

Oh-ohh, oh-ohh

I don't wanna still be dreaming, yeah.

'Cause I can't sleep tonight.  
When I can't sleep, it's like I'm dreaming.  
'Cause I can't sleep tonight.  
No, I can't sleep and you're the reason.

So, when I stay awake, know it's for you.  
I've been running all day, it's no use.

'Cause I can't sleep tonight.  
So, tell me can you sleep?  
Tell me can you sleep, tonight?

Oh-ohh, oh-ohh

Tell me can you sleep tonight?

Oh-ohh, oh-ohh

Tell me can you sleep tonight?

Tell me can you sleep tonight?
