Wake up
Hear the same thing
My alarm rings
Screamin the same time
In the same place
Im walking the same way
Im afraid
Its always Groundhogs Day

I always say
Why dont you do something about it?
Why not?
Today could be the day

Im not hanging out
Talking bout what I want
No fun sitting here
Thinking maybe next year
I dont wanna be
Lookin back at twenty three
Sayin to myself,
Got a lot of catching up to do

Ive got big dreams
Dreaming big things
Interrupted
My alarm rings
Until now cause
I wont hear it
I wont take it
I cant stay anymore

I always say
Why dont you do something about it?
Why not?
Today could be the day

Im not hanging out
Talking bout what I want
No fun sitting here
Thinking maybe next year
I dont wanna be

Looking back at twenty-three
Sayin to myself
Got a lot of catching up to do

Say goodbye to the couldve been
Say goodbye to the shouldve made that one work
Say goodbye to just sittin around
I always say it
Its time to really mean it

I always say
Why dont you do something about it?
Why not?
Today could be the day

Im not hanging out
Talking bout what I want
No fun sitting here
Thinking maybe next year
I dont wanna be
Lookin back at 23
Sayin to myself
Theres so much left to do
(Ive got a lot of catching up to do)
So much left for me to do
(Ive got a lot of catching up to do)
So much left for me to do
(Ive got a lot of catching up to do)
Out of a thousand things, I dont need you.
