Thank you for the snowflake sweater, it fits just right.
I look so much better in my reindeer tie.
Thank you for the Santa pen. I'll use it to write you love
songs all the
Time.Â
I don't know why you bought me all these silly little
Christmas
Movies, but will you watch them with me?Â

You give me all these things on Christmas day, I'd love
you anyway.
You could take back everything. You could through
them all away,
Just kiss me baby.
When all of the snow falls, jinglin' bells call.Â
I'm goin' crazy for your Christmas kisses baby.
Countin' the reindeer, I've had a good year.
I'm going crazy for your Christmas Kisses baby.
It was the best present ever. Better than that Christmas
sweater.Â

Thank you for the snow globe, to shake things up.
And for that electric razor, now I can shave my scruff.
Thank you for that underwear. Now I've got... just
enough.
Don't know why you bought me all this candy that I can't
wait to eat,
So will you share it with me?Â

You give me all these things on Christmas day, I'd love
you anyway.
You could take back everything. You could through
them all away,
Just kiss me baby.
When all of the snow falls, jinglin' bells call.Â
I'm goin' crazy for your Christmas kisses baby.
Countin' the reindeer, I've had a good year.
I'm going crazy for your Christmas Kisses baby.
It was the best present ever. Better than that Christmas
sweater.Â

I need to find where mistletoe grows.Â

I'm searching high and low.
I need to find where mistletoe grows.Â
I'm searching high and low

(When all of the snow falls! Jinglin' bells call!)

I'm goin' crazy for your Christmas kisses baby.
Countin' the reindeer, I've had a good year.
I'm going crazy for your Christmas Kisses baby.
It was the best present ever. Better than that Christmas
sweater.Â
