Baby, get up
Open your eyes now
the world's waking up
you realize we'll walk
to the beat so suddenly
while we make believe that this will
last forever
We won't sleep 'til 3 in the morning
this song speaks and
it's saying the real thing
it feels like we're living a dream
but tonight we're gonna
make this one right

Chorus

We'll set the stage
and let the records play
on a Saturday
and we can dance forever
we'll burn the light that makes
the city sway
when we set the stage
and we can dance forever
forever X7
and we can dance together

We're crazy enough
to feel alive now
you've got the stuff
when we arrive
we'll walk to the beat so suddenly
and then you tell me
that we will stay together
We won't sleep 'til 3 in the morning
this song speaks and
it's saying the real thing
it feels like we're living a dream
but tonight we're gonna
make this one right

Chorus

We'll set the stage

and let the records play
on a Saturday
and we can dance forever
we'll burn the light that makes
the city sway
when we set the stage
and we can dance forever
forever X7
and we can dance together

(Dance forever)
Turn around
just move it
with your feet on the ground
you'll prove it when you hear the sounds
we'll both lose it
then we'll make the rounds to dance forever

And when the music stops
and we can't wait for another day
well we'll just dance forever
We'll hold on tight and think of Saturdays
if you say my name
Then we can dance forever

Chorus
We'll set the stage
and let the records play
on a Saturday
and we can dance forever
we'll burn the light that makes
the city sway
when we set the stage
and we can dance forever
forever X7
and we can dance forever
