I'm laying it  
On the line to show you  
I'll never let you go  
On the line for your love  
There's nothing  
I want more  
Another dead end street  
Another love gone wrong  
Another shattered dream  
Always the same old song  
I started thinking that  
You'd never come along  
I got all this love inside  
That I'm sure you want tonight  
I'm wishing you  
What I've been through  
To get to you

I'm laying it  
On the line to show you  
I'll never let you go  
On the line for your love  
There's nothing  
I want more  
When you smile  
I feel my heart open  
And I know there's nothing  
That I wouldn't do  
I'm layin' it  
On the line this time  
Just to be with you

After everything  
My heart's been through  
I treasure, every moment  
I spend with you  
For me to feel this way  
Is something new  
Now it's got a hold of me  
It's making me believe  
That what

We got is something  
Unlike any other

I'm laying it  
On the line to show you  
I'll never let you go  
On the line for your love  
There's nothing  
I want more  
When you smile  
I feel my heart open  
And I know there's nothing  
That I wouldn't do  
(I wouldn't do)  
I'm layin' it  
On the line this time  
Just to be with you

Oh, oh  
Yeah, yeah

If you're thinking,  
What you're thinking  
Girl, all you gotta do  
Is say the word

If you tell me  
What you need  
I can get you  
What you're asking for

When I didn't have a prayer  
I thought nobody cared  
I turned around and  
You were there  
How I've been  
(Oh)  
Waiting for you  
(Waiting for you baby)  
And I want you to know  
(And I want you to know)

On the line to show you  
That I'll never let you go  
On the line for your love  
There's nothing  
I want more  
When you smile  
I feel my heart open  
And I know there's nothing  
That I wouldn't do

(Nothing that I wouldn't do)

I'm laying it  
On the line to show you  
(Never gonna let you go  
Never gonna let you go)  
On the line for your love  
There's nothing  
I want more  
When you smile  
I feel my heart open  
And I know there's nothing  
That I would not do  
I'm layin' it  
On the line this time  
Just to be with you
