Red ribbons  
Green on the corner  
The mall's busy  
The food court is packed  
It's not snowing here in California  
Let's just ice skate away

Bright glowing spheres in the window  
Your dad's got his reindeer on the lawn  
I'll try to keep you warm

I'll let you be my scarf  
And I can be your jacket  
I'll let you be my scarf  
And I can be your jacket

It's cold  
And we're so close to christmas  
And no  
It's not like any holiday  
Yeah  
You're making me shake  
In fact it's perfect weather  
It's true it's perfect weather  
For us to be together, yeah.

You want a turtle dove  
Well I've got two  
There's only twelve days of Christmas  
And I'm after you  
It's a wonderful life  
But it could get better  
With you by my side  
In a knitted wool sweater

Every Christmas song like a miracle deep  
Now I'm decking the halls on 34th street  
Hanging on fast to those mistletoe kisses  
Scared of what would happen if the Grinch stole  
Christmas

Please be my scarf

And I can be your jacket  
You can be my scarf  
And I can be your jacket

It's cold  
And we're so close to christmas  
And no  
It's not like any holiday  
Yeah  
You're making me shake  
In fact it's perfect weather  
It's true it's perfect weather  
For us to be together, yeah.

na na na na na (x16)

It's cold  
And we're so close to christmas  
And no  
It's not like any holiday  
Yeah  
You're making me shake  
In fact it's perfect weather  
Tt's true it's perfect weather  
For us to be together, yeah.
