What if every day I  
Woke up late, I  
Did whatever I felt like  
If I felt clever  
I'd go on adventures  
I'd run with lions in the dead of night

Wouldn't it be nice?  
Just Saturdays and Sundays

When I fall down  
I know I've got this weekend to live  
I'm gonna get my freak on  
It carries me  
And we'll be rocking our playlist  
I won't back down  
I'll live it up like Hendrix now  
I'll paint my face just like KISS  
Let's own this town  
It's all about the weekend  
So let's get down

It's time to flaunt our innocence  
And try new things that don't make sense  
Or maybe just hang out with friends  
I can wait a lifetime  
Or I can lose a lifetime  
If I don't change my ways  
Get out of this rat race

We can do this right  
Just Saturdays and Sundays

When I fall down  
I know I've got this weekend to live  
I'm gonna get my freak on  
It carries me  
And we'll be rocking our playlist  
I won't back down  
I'll live it up like Hendrix now  
I'll paint my face just like KISS  
Let's own this town

It's all about the weekend  
It's all about the weekend  
So let's get down

Wouldn't it be nice?  
Just Saturdays and Sundays

When I fall down  
I know I've got this weekend to live  
I'm gonna get my freak on  
It carries me (carries me)  
And we'll be rocking our playlist

When I fall down  
I know I've got this weekend to live  
I'm gonna get my freak on  
It carries me  
And we'll be rocking our playlist  
I won't back down  
I'll rock out like Nirvana now  
Be timeless like Madonna  
It carries me  
It's all about the weekend  
It's all about the weekend  
So let's get down (get down, get down)  
Let's get down  
Let's get down  
Down
