1 2 3 4 an open book an open door
5 6 7 8 free your mind to jubilate
9 10 11 12 a penny in a wishing well
4 3 2 1 tell me babe that you're the one
Step by step move a little closer
Loud and clear on my frequency
Tell me 'bout a love reaction
Communicate it to me
You give it I'll take it I'll be understanding
Baby I'm with it confide in me
Open a window to your mind ohh baby
(Chorus one)
A magic ticket ride this train of thought
Woo Woo babe
I got the key to your heart
Are you ready climb aboard with me
Woo ooh baby now
1 2 3 4 an open book an open door
4 3 2 1 tell me babe that you're the one
One by one every little secret
Day by day put your trust in me
Inside out show me the wonder
I wanna know you intimately
You give it I'll take it I'll be understanding
Baby I'm with it confide in me
Let's take the trip of a lifetime ohh baby
(Chorus two)
A magic ticket ride this train of thought
Woo Woo babe
I got the key to your heart
Are you ready climb aboard with me
Woo ooh baby now
Imagine us rocket to the moon
Boom boom baby blast off zoom
Are you ready come on n'fly with me
Woo ooh baby now
1 2 3 4 an open book an open door
5 6 7 8 free your mind to jubilate
9 10 11 12 a penny in a wishing well
4 3 2 1 tell me babe that you're the one
The grand central train

Now at platform 1
Is departing soon for
Destinations unknown
(Repeat chorus two)
1 2 3 4 an open book an open door
5 6 7 8 free your mind to jubilate
9 10 11 12 a penny in a wishing well
4 3 2 1 tell me babe that you're the one
