I wanna dance with somebody...
Dance with somebody with somebody who loves me
Oh I wanna dance with somebody I wanna feel the heat
with somebody
Yeah I wanna dance with somebody with somebody
who loves me

Want that wild, clumsy heart, I want someone to love.
Kick the pedal to the floor like we're both on a run.
That's my jam-turn it up 'cause in gotta let go
Oh-oh-oh-oh-oh-oh-oh-oh-oh-oh.
You're the candy that I want hangin' on to my arm.
C'mon girl, give me sugar, I'll be your lucky charm.
Gettin' close, touching skin, we ain't takin' it slow
Oh-oh-oh no-oh-oh-oh-oh-oh!

[Chorus:]

I just wanna dance with somebody
I wanna feel the heat with somebody.
Yeah, I wanna dance with somebody, with somebody
who loves me
Oh, I wanna dance with somebody I wanna feel the heat
with somebody
Yeah, I wanna dance with somebody, with somebody
who loves me.
With somebody who loves me

Nother round pour it down, party like Tommy Lee got
this girl,
Wildin' out, dirty dancing on me
Shakin' that thing on the floor now I'm beggin' for more
Oh-oh-oh-oh-oh-oh-oh-oh-oh

[Chorus]

I'm not going home if I'm going alone
I'm not going home if I'm going alone
(Now) We're like Charlie Sheen going out of control
(that's right)
(And) I'm not going home if I'm going alone (not going
home, baby)

I'm not going home if I'm going alone
I'm not going home if I'm going alone
Gonna keep you up late like the Letterman show (Up all
night)
Cause I'm not going home if I'm going alone

[Chorus]

[Instrumental Part]

With somebody who loves me
With somebody who loves me
