She was just a lonely girl  
But I didn't know if I should try  
She was just a lonely girl  
But I didn't know just which way she'd fly

Over by the corner now she stands  
Cornered by the angles of many plans

She was just the saddest girl  
In the sad old American town  
Staring at the empty stage  
To see some ego tripping rock-roll band

Over by the corner now she stands  
Cornered by the angles of many plans

Love is good, love is sweet  
Lover hold my hand  
Love is good, love is sweet  
Lover hold my hand  
Lover

She was just a lonely girl  
But I didn't know if I should try  
She was just a lonely girl  
But I didn't know just which way she'd fly

Over by the corner now she stands  
Cornered by the angles of many plans

Love is good, love is sweet  
Lover hold my hand  
Love is good, love is sweet  
Lover hold my hand

Love is good, love is sweet  
Lover hold my hand  
Love is good, love is sweet  
Lover hold my hand

Love is good, love is sweet  
Lover hold my hand

Love is good, love is sweet  
Lover hold my hand
