This song is for all of you I'm offering you a chance in Next two minutes inviting you to dance. This song is for All of you I'm offering you a chance without you people Our music has no sense. Don't wanna see you ever feel Like you' re a stranger that's why I'm singing you this Song, don't get me wrong I'm just a party entertainer

Unless the party is going on!
I wanna love, wanna love, wanna love all the time!
Our rhythm is giving you advice, you should take it easy
And make it nice
It's just a feeling and loosen up your ties it s time
