She loves me,
She loves me not,
She loves me
She loves me not,
She loves me,
She loves me not,
She loves me,
I think she loves me, (x2)

[Verse 1]

From the first day that we met girl i knew you were the
one,
I claimed you as my life before the love begun yeah,
So many men came in your life,
Ripped you heart and made you cry,
I'll never do that let me tell you why.

[Brigde 1]

If you were my tears,
I probably wouldn't cry cause i wouldn't want to lose
you,
If you were my dream,
I'd refuse to wake up cause you wouldn't be next to me,
If you were my soul girl,
I would do every thing in my power to save you,
Cause you are my queen,
Your my everything.

[Chorus]

I believe that,
I believe, i believe that im fallin in love,
I believe i believe i belive that baby,
I believe i believe that im fallin in love,
Fallin in love, Fallin in love.

[Verse 2]

I know you're use to men brag,
About material things they had,
Its true that i got alot but all of that you can have,

Whats mine is yours my queen my player days are
gone,
I cant risk me losing you and sitting here alone.

[Brigde 2]

If you were my heart girl,
I would open up my heart let you in and throw away the
key,
If you were my shadow,
I would pray for the sun so it would shine on me,
And if you were this music,
I would write a song just like this,
Cause you are my queen, Your my everything,

[Chorus]

I believe that,
I believe, i believe that im fallin in love,
I believe i believe i belive that baby,
I believe i believe that im fallin in love,
Fallin in love, Fallin in love.

She loves me,
She loves me not,
She loves me
She loves me not,
She loves me,
She loves me not,
She loves me,
I think she loves me, (x2)
