Chorus:]

Lay yo body down
And let me touch yo body
And you know it's going down
'cause ain't nobody here to stop me
And I know you heard about
My freaky reputation
But dont listen to the crowd
'cause you know how they be hatin on me baby

[Verse 1:]

I know its been a minute since I spent some time wit
chu
But what I wanna do is make you scream out oo we oo
No need to rush it mami make everything suitable
Gotta let you know this propositions non refuseable
We gonna play this song right here
So you better get ya body in here
Get comfortable and have no fear
'cause you know its going down in here
so

[Chorus]

[Verse 2:]

I know you heard about Tameka and Teresa, Wo',
Stephanie, Candy, Talisha, Jazmyn, and Leslie too
Why don't you tell me ma look what that got to do wit
you
You seem uncertain ma so why dont I give you a clue
I'll kiss it where the sun don't shine after that mami
than you do mine
Turn over let me see it from behind
You'll call the coroner after this crime so

[Chorus]

[Spoken:]

It don't matter what you thinkin imma be wit you
