So now you tell me the truth.  
It's not what i want to hear.  
But i do not make a sound.  
There's just too many things.  
I can not forget about you.  
I wont let this bring me down.  
And now i hold my head up high for you.  
Hoping that these dreams come true.  
But anyway i try.  
I'll come at the wrong time and miss you.  
Watch me i'm falling for this.  
I can't take a hint i guess.  
At this point i am unwound.  
And there's just nothing to lose.  
When you have nothing.  
I'll be waiting when you come around.
