First one let the games begin there aint no time for me
to pretend now i got the key to the door i want so open
up and let me in its been said that im a talker spittin
game do wut eva i want all i need is a min mami later
on ill make you moan see u aint never messed wit a
nigga like me lick u up till all ur stress gone from work
from problems my magic stick can solve em go around
the world and never leave home ohh noo

chorus: when i think of u and i think of a tootsie roll pop
so how many licks does it takeX2
