Do doo doo doo do, Do doo doo do
Da doo doo doo do, Do doo doo do

Now you might laugh and say I'm just the foolish kind
I guess I'm not as practical as you
Laugh all you want and be assured that I won't mind
It takes a foolish mind to do the things I do.

All day long I sit around a wishing well
Through tears I see a blurry red-stained hue
And who knows someday soon no one can ever tell
The scarlet sky might once again be blue.

I'm tossing all my pennies very carefully
And caringly I wish the world to stay
Any price I'll pay; I'm waiting patiently
I sense that love will someday have its way

So I'll stay ...
Sitting round the wishing well and I wish you well
Will tomorrow be a yesterday?
Maybe if we all sat around a wishing well
The world wouldn't have to go away
Away ...

Ahhh... I'm tossing all my pennies very carefully
Hopefully I'll see a brighter day
And maybe if we all sat around the wishing well
The world wouldn't have to go away
Go away
