Somebody - by Prezioso feat. Marvin

Dah

DahDahDahDahDah d'DahDahDahDahDah

DahDahDahDahDah DahDahDah

DahDahDahDahDah d'DahDahDahDahDah

DahDahDahDahDah d'DahDahDah

Hey, What about today

Is everything okay?

The world is in my hands

I don't care

Somethin' in my mind

If I could realize

The colors in my eyes

I'll beckon wide

Don't believe it's true

If I blame even you

I'm only trying to hide

I'm not fine

Forgive me if you can

Sometimes I'm not a man

My body says it aches without me

Lonely 100,000 people

This is how I feel:

Somebody

Please help me

Where is my soul

[echo:where is my soul]

Somebody

Please help me

Where is my soul

Somebody

Please help me

Where is my soul

[echo:where is my soul]

Somebody

Please help me

Where is my soul

Dah

DahDahDahDahDah d'DahDahDahDahDah

DahDahDahDahDah DahDahDah
DahDahDahDahDah d'DahDahDahDahDah
DahDahDahDahDah d'DahDahDah
