You breathe the same,  
Believed you walk away,  
Like I never meant nothing.  
I need to win, I just can't stop.  
It seems the dream is merely guillotine,  
I never saw it coming.  
I can't believe you let it drown.

But then you had to ride,  
The day you left my mind,  
That we should catch up some time.

You've gone now,  
You've made it clear,  
You have stop,  
Touching the ground.  
You cannot,  
Leave me here.  
So why don't you,  
Come back down?  
Come down.

You change the same,  
By seeing you every day.

Your sunlight's spinning.  
You're on a flight, you never boarded.  
The sky and I will only fight for one.  
I thought I was winning, I can't believe,  
You still ain't boarding.

But then you had to ride,  
The day you left my mind,  
That we should catch up some time.

You've gone now,  
You've made it clear,  
That you have stop,  
Touching the ground.  
You cannot,  
Leave me here.

So why don't you,  
Come back down?  
Come down.

You've gone now. (4x)
