Earn your way, that's the lesson that we're taught  
But I know things eternal can't be sold and can't be  
bought  
Amazing grace is something I could never hold  
And I know love and mercy are outside of my control

But I'm reminded of a ransom, paid beyond my worth  
On a hill outside the city, where heaven kissed the  
earth

Because of that blood, because of that dream  
Because of that mercy pouring over me  
Because of that grace I've been set free  
Because of You, Jesus, I have been redeemed

Some believe that they can make it on their own  
But only in the end to find they're really not that strong  
But I believe that if I choose to live by faith  
That God will give me strength to make it each and  
every day

For we are lost without a Savior, to save us from  
ourselves  
For it's only by the grace of God that we can live to tell,  
hey

Because of that blood, because of that dream  
Because of that mercy pouring over me  
Because of that grace I've been set free  
Because of You, Jesus, I have been redeemed

Who of us can say that we are worthy of the blood of  
Jesus Christ  
All that we can do is simply offer Him our own by laying  
down our lives

Because of that blood, because of that dream  
Because of that mercy pouring over me  
Because of that grace I've been set free  
Because of You, Jesus, I have been redeemed

Because of that grace I've been set free  
Because of You, Jesus, I have been redeemed  
Oh, thank You, Lord  
Oh, because of that blood
