The darkest day in history was over
All was lost on the cross
Beaten, battered, bruised beyond description
You gave it all, what went wrong?

This couldn't be the end of Heaven's story
'Cause You came to save, to beat the grave
Three days and now they're looking for Your body
But You were gone, and now I know

You saved the day
The day You rolled the stone away
The empty grave is there to say
You reign
You saved the day
You tore the holy veil away
You opened wide the prison gates
You saved the day

Rescued from the shackles of my failure
In the dead of night, You shined Your light
Your gift of love is hope that springs eternal
And because of You, all things are new

You saved the day
The day You rolled the stone away
The empty grave is there to say
You reign
You saved the day
You tore the holy veil away
You opened wide the prison gates
You saved the day

Oh God, You rescued me
From my iniquities

Your gift of love is hope that springs eternal
And because of You, all things are new

You saved the day
The day You rolled the stone away

The empty grave is there to say
You reign
You saved the day
You tore the holy veil away
You opened wide the prison gates
You saved the day

You saved the day
The day You rolled the stone away
The empty grave is there to say
You reign
You saved the day
You tore the holy veil away
You opened wide the prison gates
You saved the day
