Hear the good news, you've been invited
No matter what others may say,
Your darkest sins will be forgiven
You will always have a place.
At the table of grace the cup's never empty.
The plate's always full and it's never too late.
To come and be filled with love never ending
You're always welcome at the table of grace.
So come weak, and heavy hearted (heavy hearted)
Don't try to hide your earthly scars.
In His eyes, we all are equal (yes, we are)
Don't be afraid, come as you are.
At the table of grace the cup's never empty.
The plate's always full, and it's never too late.
To come and be filled with love never ending
You're always welcome at the table of grace.
(Instrumental break)
So let the first become the last
Let the poor put kings to shame.
Their willing hearts will be their treasure
By the power of Jesus' name!
At the table of grace the cup's never empty
The plate's always full, and it's never too late!
To come and be filled with love never ending
You're always welcome at the table of grace
At the table of grace the cup's never empty.
The plate's always full, and it's never too late
To come and be filled with love never ending:
You're always welcome at the table.
Everyone's welcome at the table of grace.
