King in disguise  
Thorns on His head  
And a robe dipped in red  
Meek as a lamb  
Mocked as a fool  
On a road that leads to death

The Heavens are shaking  
My heart is crying

That's my Lord  
That's my king  
That's my hope my everything

That's my Lord  
That's my rock  
That's my Saviour, that's my God  
Jesus, oh Jesus  
That's my Lord

Fire in His eyes  
A crown on His head  
And a sword dipped in red  
Saints by His side  
All dressed in white  
He is coming like He said

Angels are dancing  
And my heart is singing

That's my Lord  
That's my king  
That's my hope my everything

That's my Lord  
That's my rock  
That's my Saviour, that's my God  
Jesus, oh Jesus

The kingdoms of this world  
Are the kingdoms of our God

The nations of the earth rise up and say

He's our Lord  
He's our king  
He's our hope our everything

He's our Lord  
He's our rock  
He's our Saviour, He's our God  
Jesus, oh Jesus  
Jesus, oh Jesus  
That's our Lord

That's our Lord  
That's our king  
That's our hope our everything

That's our Lord  
Oh that's our rock  
That's our Saviour, that's our God
