oh baby i see you on my tv set yeah baby i see you on
my tv set i cut your head off and put it in my tv set i use
your eyeballs for dials on my tv set i watch tv i watch tv
since i put you in my tv set oh baby i hear you on my
radio yeah baby i hear you on my radio you know i flip
flip flip for my radio you're going drip drip drip on my
radio am radio pm radio since i tuned you inside my
radio... like this! oh baby i see you in my frigidaire yeah
baby i see you in my frigidaire behind the mayonnaise,
way in the back i'm gonna see you tonight for a
midnight snack but though it's cold you won't get old
'cause you're well preserved in my frigidaire
yahhhhhh.... oh baby look so good in my crib at night
yeah baby look so good in my crib at night i could give
you a million hugs you look so good all covered up in
bugs oh, i missed some there under your chair but
that's all right, i'll sweep you under the rug... ah ha ha!
oh baby i see you on my tv set yeah baby i see you on
my tv set i cut your head off and put it in my tv set i use
your eyeballs for dials on my tv set i watch tv i watch tv
since i seen you i've been so upset
