[Guru]

Aight, aight, don't be yellin yo  
Calm down man, can we talk like civilised people?  
I can't take this no more

[Craig David]

I don't love you  
No More  
Come I'll show myself to the door  
I don't love you  
Cuz I don't love you no more

[Guru]

I'm out the door, I can't take it no more  
Things have really changed, it's not like before  
I mean the vibes between us nowadays are quite shaky  
And lately, I ain't been feelin you baby  
Somehow you left my interest wander  
And now I'm fond of someone else who's diggin me for me  
It's what I longed for  
About our current arrangement I ain't sure  
Cuz I don't think I love you no more  
And yo I had a major effect on you I know  
But sure you be showin disrespect to me, so I gotta go  
You never gonna see it how I do  
And I don't like your attitude and I don't like being lied to  
I'm not a door you can't push my buttons  
We tried to make it work still we've come up with nothing  
So now my patience is thin, the fighting is a bore  
And I don't think I love you no more

[Craig David]

I don't love you  
No More  
Come I'll show myself to the door  
I don't love you  
Cuz I don't love you no more

Girlfriend I'm walking to the door  
Ain't gonna see me no more  
All you seem to do is bore  
Me, since I came back off tour  
See if I can take your ways  
I'm walkin away from only bad days  
I know there is no easy way  
But there's nothing you can say  
To change my mind, yeah

[Guru]

I wish I didn't feel this way, wish I was kidding  
But another girl has stepped on the scene to put her  
bid in  
I never would have looked in another direction  
But you got a strange way of showing love and  
affection  
So I told myself that I deserved better  
You only came my way because you heard I had  
cheddar  
And now you seem to me to be so immature  
And I don't think I love you no more  
And plus I know about that stuff you told your crew  
when we met  
I gotta go somewhere so please let me jet  
See you forget about my generous ways and my good  
heart  
You never wanna admit you're wrong, but you should  
start  
Let's put our differences away and end this peacefully  
We haven't been getting along at all recently  
I've been thinking about this since I came home from  
tour  
And I'm sure, I don't love you no more

[Craig David]

Now I gotta explain that I'm loving and feeding you no  
more  
Everything keeps sticking around since I came back off  
tour  
So tell me why do I have to explain myself baby, ey  
Cuz girl you gotta admit that there's nothing more for  
me to say  
Ooh yeay

I don't love you  
No More  
Come I'll show myself to the door  
I don't love you  
Cuz I don't love you no more
