How to be unfaithful, how to be disgraceful  
To lose yourself, to lose control, fall off the fence, fire  
and soul

To lose yourself, to lose control,  
fall off the fence where is your fire and soul?  
I'll wait for you forever, I'll wait for you forever  
I'll take you to my grave

Now in the beginning, how the room was spinning  
Hold on to me, hold on to you, hold on to us is what  
we'll do  
Hold on to me, hold on to you, hold on to us is what  
we'll do

I'll wait for you forever, I'll wait for you forever  
I'll take you to my grave (grave)

Hu huhu, hu huhu, hu huhu  
Hu huhu, hu huhu, hu huhu

I'll wait for you forever (hu huhu,  
hu huhu), I'll wait for you forever (hu huhu)  
I'll wait for you forever (hu huhu,  
hu huhu), I'll wait for you forever (hu huhu)

To lose yourself, to lose control, fall off the fence, fire  
and soul

To lose yourself, to lose control,  
fall off the fence where is your fire and soul?
