"I Love You"

Feels like, I'm standing in a timeless dream
Of light mists, of pale amber rose
Feels like, I'm lost in a deep cloud of heavenly scent
Touching, discovering you

Those days, of warm rains come rushing back to me
Miles of windless, summer night air
Secret moments, shared in the heat of the afternoon
Out of the stillness, soft spoken words

Chorus:

I love you, always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you
I love you, always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you

You've got, the most unbelievable
blue eyes I've ever seen
You've got, me almost melt away
As we lay there, under a blue sky
with pure white stars
Exotic sweetness, a magical time

(Chorus)

Say you'll love, love me forever
Never stop, not for whatever
Near and far and always and
everywhere and everything

Say you'll love, love me forever
Never stop, not for whatever
Near and far and always and
everywhere and everything

Say you'll love, love me forever
Never stop, not for whatever

Near and far and always and
everywhere and everything

(Chorus)
