I'm not ready for this,  
Though I thought I would be.  
I can't see the future,  
Though I thought I could see.

I don't want to leave you,  
Even though I have to.  
I don't want to love you.  
Oh, I still do.

Need some time to find myself.  
I wanna live within.

Can I go my own way?  
Can I pray my own way?  
I don't want to leave you.  
Oh, I need you.

Am I ready for this?  
Did I think I would be?  
Can I see the future?  
No, I can't see.

I don't want to leave you,  
Even though I have to.  
I don't want to love you.  
Oh, I still do.

Ah, la la da da da.  
Ah, I still do.

Ah, la la da da da.  
Ah, I still do.
