If not tonight
This is the strangest feeling
Something I can't control
Do I play the fool for you

If not tonight
Waiting forever
Just to see your face
Waiting is all that I seem to do

Yeah puro amore
Will another night exist
like this again

Yeah solo amore
We will never get this moment back
Again

If not tonight
Underneath the stars
Beneath the crescent
Sinking down into the sea
It's not the time
But I will wait forever
If this is what you want
Waiting could be the
end of me (Waiting
would be the end of
me)

One day I will open your eyes
Underneath the stars
Beneath the crescent

Yeah puro amore
Will another night exist
like this again

Yeah solo amore
We will never get this moment back
Again

Yeah puro amore
Let it be with you tonight
There will never be a night
If not tonight

Tell me when my love
