Let me take you by the hand
Away from here,
To another land.
Oh, this land in which we live
Where people love and are meant to forgive.
And you always put me wrong,
'Cause you're always putting me down.
I can't take this anymore,
I decided to leave,
Walked out through the door.
Oh, and why do you think I go?
Because you know it can never be so.
And you always put me wrong,
'Cause you're always putting me down.
So let me take you by the hand
Away from here,
To another land.
Oh, this land in which we live
Where people love and are meant to forgive.
And you always put me wrong,
'Cause you're always putting me down
