Still can't recognize the way I feel (I feel, I feel).

Nothing of what you said to me was real.
And you still can't find the strength,
To apologize, (-ogize, -ogize).
You just go on laughing and telling everyone lies.

'Cause you wanted it all, you wanted it all, you wanted
it all.
No, and there's nothing at all,
There's nothing at all, there's nothing at all.

Maybe if you could see beyond,
Your nose, (your nose, your nose).
Nothing of what has happened surely shows.
But your ego excelled and then your attitude.
And you went on laughing and shouting,
It's all too shrewd.

'Cause you wanted it all, you wanted it all, you wanted
it all.
No, and there's nothing at all,
There's nothing at all, there's nothing at all.

La na na na, la la...

Still can't recognize the way I feel (I feel, I feel).

Wanted it all, wanted it all, you wanted it all. (X 2)
