Who gave them the right,

Waltzing back into,  
Your life, your life, your life?  
Now I feel fear,  
I wish that they'd never come,  
Here, here, here.

What they're gonna do, what they're  
gonna say,  
Taking you away from my life, my life, my  
life?

What they're gonna do, What they're  
gonna say,  
Taking you away from my life, my life, my  
life?

La, la, la...

Who gave them the right,  
Turning it back into,  
Light, light, light?  
Then I felt fear,  
I wish that they'd never come,  
Here, here, here.

What they're gonna do, that they're  
gonna say,  
Taking you away from my life, my life, my  
life?

I don't wanna know, I don't wanna say,  
I don't wanna say, 'cause it's your life,  
your life, your life.

La, la, la, la...

Who gave them the right, the right, the

right? [X 4]
