Congratulations you have won
You fought off calling me for a whole year to prove
your point
But I'm tired of shouting out in the night
My pride is packed away and I

I apologize for being cruel
When I should have been kind
I'll be right by
We'll be so happy together tonight

I apologize for being cruel
When I should have been kind
I'll be right by
We'll be so happy together tonight

You found a garter belt on my nose, I warned ya
My similar similarities lose touch when I drink to much
But bye bye, I kiss the bottle goodbye, forever
I know it's made a fool of me, I'll try to reconcile

And I apologize for being cruel
When I should have been kind
I'll be right by
We'll be so happy together tonight

I apologize, I apologize
I apologize, I apologize
I apologize, I apologize
I apologize, I apologize

I apologize for being cruel
When I should have been kind
I'll be right by
We'll be so happy together tonight

I apologize for being cruel
When I should have been kind
I'll be right by
We'll be happy together tonight

I apologize, I apologize

I apologize, I apologize
I apologize, I apologize
I apologize, I apologize

I apologize, I apologize
I apologize, I apologize
I apologize, I apologize
I apologize, I apologize
I apologize
