1, 2, 1, 2, 3...

I went on down, down to the river
Went on down to see what I could find
Didn't see much, whole lotta nothin'
Except for a school that be takin' on a ride

(Chorus)

Oh Lord! Oh, I should've known, babe
Oh Lord! OOOOh! Now I shoulda known, shoulda
known, Mama, now I shoulda known
Thinkin' that you're hard as nails, hopin' that that
hammer don't fall
You're thinkin' that you're hard as nails, hopin' that that
hammer don't fall, baby
Talkin' bout the hammer, Whoo! the hammer and the
nail

(That's right, Oh yeah, Tell ya a story)

I went on back, back to the river
I went on back, think it wasn't long.
And as I stood, and stared into the water
I just realized that I bought a dancin' song

Chorus

(Man)

Solo

You're thinkin' that you're hard as nails, hopin' that that
hammer don't fall, baby
You're thinkin' that you're hard as nails, hopin' that that
hammer don't fall
Talkin' bout the hammer, Whoo! the hammer and the
nail
