[1] see the mind of the father...
As he drew salvation's plan...
Sending his son from heaven...
To become a man...

See his compassion as he fed...
The multitudes by the sea...
See the heart of god...
At calvary...

[Cho:] see the heart of god... at calvary...
It was there he gave himself just for me...
No greater love... could ever be...
When you see the heart of god... at calvary...

Music channel: modulation

[2] see the skill of our creator...
As he made the universe...
In the bible... see his wisdom
In every verse...

See his power in the storm clouds...
See his majesty... in the sea...
See the heart of god...
At calvary...

[Cho:] see the heart of god... at calvary...
It was there he gave himself just for me...
No greater love... could ever be...
When you see the heart of god... at calvary...
