[1] sometimes... trials may come...  
Or blessings may flow...  
I don't know what tomorrow may hold...  
But I know who holds tomorrow...  
They'll be no pain or sorrow...  
There'll be peace on the other side of the storm...

[Cho:] there'll be peace on the other side of the storm...  
And in his hands... we're safe from harm...  
Though we're tossed by storms of life...  
We'll cross the raging tide...  
And there'll be peace on the other side of the storm...

[2] though the world around may rage...  
And bad news fills each page...  
Of every newspaper in the land...  
But friend don't worry... don't despair...  
For I know the one who cares...  
There'll be peace on the other side of the storm...

[Cho:] there'll be peace on the other side of the storm...  
And in his hands... we're safe from harm...  
Though we're tossed by storms of life...  
We'll cross the raging tide...  
And there'll be peace on the other side of the storm...

[Tag:] though we're tossed by storms of life...  
We'll cross the raging tide... [sustain]  
There'll be peace on the other side...  
There'll be peace on the other side...  
There'll be peace on the other side...  
Of the storm...
