[Cho:a] weep through me... o lord...
Weep through me... o lord...
Let the tears that fall... be your tears o lord...
Weep through me... o lord...

[1] the injured hand... of an innocent child...
Trembles timidly...
Reaching out for a tender touch...
Tear stained eyes so scared... so torn... so hurt...

[Cho:a] weep through me... o lord...
Weep through me... o lord...
Let the tears that fall... be your tears o lord...
Weep through me... o lord...

Music channel: piano ad libs to
Soft modulation

[2] let me love that injured child...
Who hurts so deep inside...
Move through me... as you heal...
The pain the scars... the hurt they feel...

[Cho:a] weep through me... o lord...
Weep through me... o lord...
Let the tears that fall... be your tears o lord...
Weep through me... o lord...

Hard modulation

[Cho:b] weep through me... o lord...
Weep through me... o lord...
For the millions lost... please break my heart...
Weep through me... o lord...

[Tag:] weep through me... o lord... [sustain]...
