Young velvet porcelain boy
Devour me when you're with me
Blue wish window seas
Speak delicious fires

I'm your candy perfume girl
Your candy perfume girl

Moist warm desire
Fly to me
I'm your candy perfume girl
Candy perfume girl
Candy perfume girl

Candy
Rush me ghost you see
Every center my home
Fever steam girl
Throb the oceans

Your candy perfume girl
You're a candy perfume girl
You're a candy perfume girl

Candy perfume girl

Did I lie to you?
Candy perfume girl
Did I lie to you?
Magic poison

You're a candy perfume boy
Candy perfume boy
You're a candy perfume boy

Candy perfume girl

The sacred nerve is
Magic poison
It's candy
It's candy

I'm your candy perfume girl
Boy
Girl
Boy
Girl
Boy
Candy...
